Annex II

Said product complies with **RoHS**:

- Directive (2011/65/UE of the European Parliament and the 8th of June 2011 Council) about restrictions to the use of certain hazardous substances on electric and electronic devices.
- Directive (EU) 2017/2102 of the European Parliament and of the Council of 15 November 2017 amending Directive 2011/65/EU on the restriction of the use of certain hazardous substances in electrical and electronic equipment.
- Commission Delegated Directive (EU) 2015/863 of 31 March 2015 amending Annex II to Directive 2011/65/EU of the European Parliament and of the Council as regards the list of restricted substances.

We declare that all our products do not contain the 10 restricted substances and their maximum values listed in Annex II of the Commission's Delegated Directive (EU) 2015/863, of March 31, 2015.

In **KEPAR ELECTRONICA S.L.** we certify that all the processes to which our products are put through, accomplish the **RoHS** Directive.

At the same time, we demand all our suppliers that the raw materials supplied to us also accomplish said directive.

KEPAR ELECTRONICA S.L. (Battery distributor code N° 6214) performs batteries and accumulators and the environmental management of their waste in accordance with: RD 27/2021 of 19 January, by which is modified the RD 106/2008 & RD 110/2015 RD 106/2008, "Pilas y acumuladores y la gestión ambiental de sus residuos"
